* This step is not available for initial placement on the salary schedule. Placement on this step requires that the step number of initial placement on the schedule plus Kodiak teaching credit equals 17 (seventeen) or more years (initial placement step number) + (Kodiak creditable teaching years) = 17 or more years.

** Placement at the BA+54 column requires an approved integrated course of study for the 18 hours past BA+36. Courses used for movement to BA+54 must be completed after June 1, 1981.

*** Placement on the MA+54 schedule requires MA plus 54 graduate semester hours with prior approval required for the 18 hours past MA+36.

**** If you are placed in this column by virtue of having BA+54 and subsequently receive your MA degree, only 18 hours of approved courses are required to access the MA+36 column.
